INTRODUCTION

KALBOARD®
Educational, Visual & Business Aids Producers

Based on our faith to keep trend to progress and the choice of the ultimate global progress, we seek to use our growth to improve humanity. By using our desire of science, innovation and regeneration, we produce solutions for the educational world. We earned our wide experience over four decades.

Started producing
Interactive flat panels

2020

2019

Started producing paper tubes
for industrial use

Started producing paper
profiles for protection

2017

2014

Producing paper Honeycomb sheets
under the trademark Kalboard Pack,
the first in the Arab World

Obtained the certificate of conformity
(EN) and European certificate of quality
(CE Mark) for interactive whiteboard.

2011

2009

Producing Interactive magnetic white-
boards & audience response system with
our trademark Kalboard Complete

Added new items such as;
Engineering Furniture, and
Projectors Mounting Accessories.

2007

2003

Launched the projection screens line
with our trademark Kalboard

Became ISO 9000 &
ISO 9001:2008 certified

2000

1998

Established a factory in Amman to
produce writing magnetic boards
with our trademark Kalboard

1982

We started our activities as a trading
company in Jordan in the field of stationery
and office engineering supplies.

Warranty	1 year standard warranty - 3 years extended warranty (optional)				
Certification	CE, ROSH, FCC, CB, IECEE				

LCD MOBILE STANDS & MOUNTS

Heavy duty mobile stand HMS-6585

The heavy duty mobile stand enables you to create a mobile media center, making it easier to move your AV equipment across classrooms, offices, or learning environments.

Suitable for interactive screens
Stand dimension (WxDxH):
940*540*1400 mm

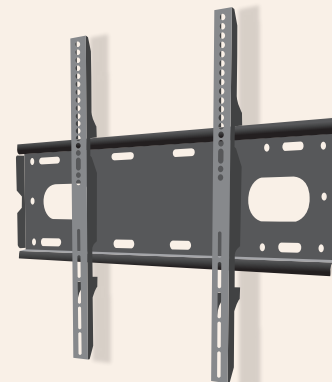

TV mobile stand MS-4285

The TV mobile stand enables you to create a mobile media center, making it easier to move your AV equipment across classrooms, offices, or learning environments and you can use it for home.

Stand dimension (WxDxH):
940*540*1400 mm

Heavy duty wall mount bracket WMB 6585

Easy to Install Bracket
Dimensions: (WxH): 775*530 mm
Distance from the wall: 30mm

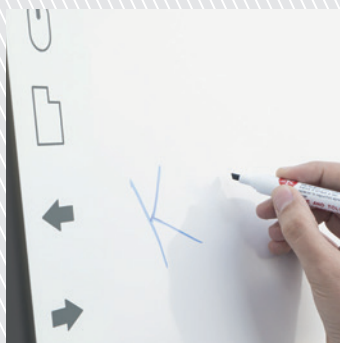

HMS-6585

MS-4285

WMB 6585

Suitable for Screen Sizes	65" - 85"	42" - 85"	65" - 85"

INTERACTIVE WRITING MAGNETIC BOARDS

IWB 86, 96

Features & Advantages:

- 10 users multi-touch by finger (no need for pen to write on the surface)
- Whiteboard dry-erase writing surface, scratch-resistant with a life-time warranty
- High response rate to match the speed of finger movement on the surface
- Only USB connection is required
- Arabic and English language support (other languages included)
- Support 4:3, 16:9 & 16:10 ratios
- Records all the work on PC in Audio and video
- Hand writing and shape recognition
- Toolbars on both sides of the board (16 keys on each side)
- KALBOARD Software (on licences needed)

Models	IWB86	IWB96
Technology	Infrared (IR)	
Writing surface	Ceramic enameled steel (Magnetic)	
Physical Toolbar	16 buttons on each side	
Scratch resistance Surface	Yes	
Dry-Erase Marker Surface	Yes	
Writing Style	Finger, Plastic Pen or Dry, Erase marker pen	
Resolution	32768 x 32768	
Response speed	Continuous dots: 12 ms	
Cursor speed	180 dots/ second	
Port (Power)	USB	
Outer diagonal (inch)	86"	96"
Active input Area (mm)	1180 x 1690 mm	1180 x 2020 mm
Frame size (mm)	35x 40 mm	35x 40 mm
Working temperature	-20 to +60C	
Working Humidity	10-90%	
Storage temperature	-40-50 C	
Storage Humidity	10-90%	
Warranty on the surface	Ceramic – 25 years	
Warranty on the technology	3 Years	
Software included	KALBOARD + Driver	
KALBOARD Software Features	Virtual Keyboard: call from physical toolbar shortcut Button	
	4 users Multi-touch	
	Shape Recognition	
	Handwriting Recognition	
	Screen recorder	
	Media Bank	
	Import different office files	
	Multi-languages (Arabic included)	
	User Guide (Arabic Included)	
	Screen annotations over any program

MULTIPURPOSE HORIZONTAL SLIDING BOARDS

Sliding Whiteboard Cabinet for Interactive Whiteboard, LED & Interactive flat panels.

Features

- Offers more than one option to the teacher
- Wide space for writing even while interactive whiteboard is in use
- Allows teacher to write on the center by closing the cabinet
- Size is customized according to interactive whiteboard or touch screens sizes

CHARGING CART

Lockable doors

AC power compartment

Features

- The Charging Cart provides charging and storage for 16, up to 32 laptops, Chromebooks, and tablets up to 14" in size
- The AC power adapters are stored in a separate electrical compartment with lockable doors.

WRITING MAGNETIC BOARDS

Aluminum Dusters Tray

Magnetic Surface

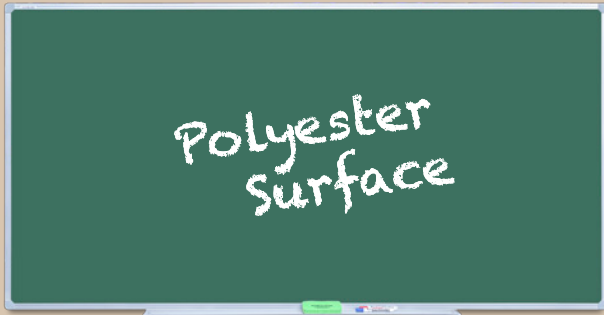

WRITING MAGNETIC BOARDS (Ceramic Surface)

- Wall mounted Magnetic/ marker whiteboards or green magnetic chalk boards
- Enameled surface (ceramic)  25 years warranty
- Silver anodized elegant aluminum frame and strong rounded PVC corners
- Silver anodized elegant aluminum tray with plastic covers
- Fixing to wall by concealed hangers
- Back covered with aluminum foil
- Scratch resistant surface
